# Heated merchandisers

## Full-serve or self-serve

**HMR 105** 5 well

HMR 105 5-well full-serve heated merchandiser

**Therma-Vec® Even Heat Process** eliminates hot/cold spots and fogging by gently circulating heat from lower elements evenly under pans, up through vents front and back, and over food. Sensors adjust temperature and air flow promptly to compensate for heat loss when serving.

Henny Penny HMR heated merchandisers are designed to provide deli operators with the ultimate in flexibility and performance for hot food display and service.

The HMR 105 comes as a stand-alone full-serve or self-serve unit. With 5 well capacity, operators can display, serve and sell popular hot entrées, sides and desserts from one case.

All full-serve modules feature Therma-Vec®, the exclusive even

heat process developed by Henny Penny to keep foods at precise temperatures for a more appetizing and attractive display. No more cold spots or fogged glass!

Upper and lower heating are independently controlled, with separate controls for upper radiant heat over each well.

Three front glass profiles are available.

See separate data sheets for 3, 4, 6 and 7 well models, and for merchandiser bases available in profile or pedestal styles and in several heights and colors.

### Standard features

- 5-well model available as full-serve or self-serve unit
- Exclusive Therma-Vec® Even Heat Process holds food at precise temperatures with no cold spots or fogging
- High-quality tempered glass front, sides and rear
- Choose front glass profile:
  - Henny Penny curved
  - Henny Penny straight
  - Advantage curved (matches Tyler Advantage® series)
- Front glass lifts easily for cleaning and closes gently on gas springs
- Upper radiant heat with separate temperature control and food probe display for each well
- Lower heat and water pan temperature controlled separately
- Control lockout to prevent accidental changes
- Water pan humidity with built-in low-water indicator
- Brilliant halogen lamps for attractive food presentation
- Separate switches for power and lighting
- Removable mirrored sliding glass rear doors
- Mirrored or clear side glass (clear side glass, only, for CE units)
- Sneeze guard on self-serve glass
- Fold-down cutting board
- Stainless steel construction for easy cleaning and long life

### Accessories shipped with unit

- Adjustable pan supports for 1 full-size and 1 third-size steam table pan per full service well
- Stainless steel insert for self-serve units
- Food temperature probes
- Water pan

### Optional accessories

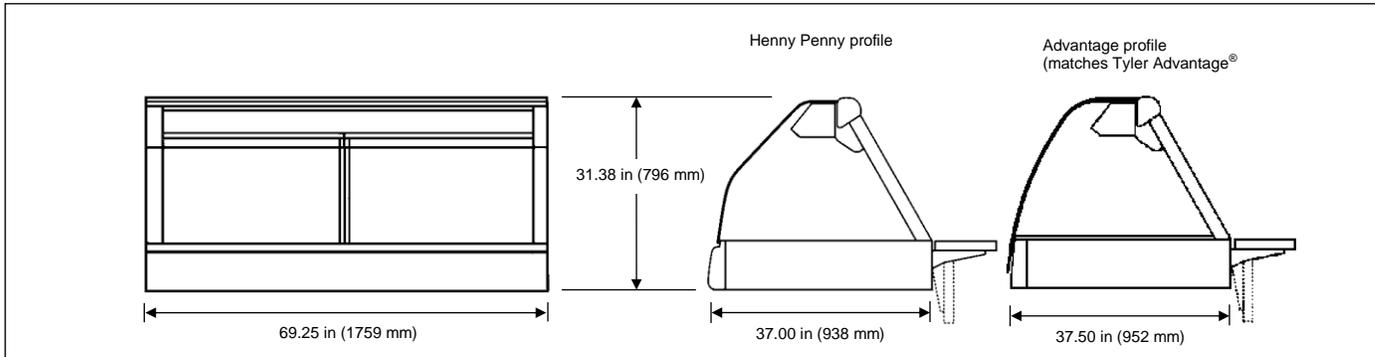

- Modular wire shelf system for adding mezzanine tier
- Wire shelf for 3-well section
  - Wire shelf for 2-well section
  - Pan support with guide rail
