HENNY PENNY 340 SERIES OPEN FRYERS

The 340 Series Open Fryer:
The latest in Large Capacity Fryers from Henny Penny. The 340 offers safe, efficient and smart frying of fish, chips, potato cakes and shellfish.

SAFE FRYING

The 340 Series Fryer has a built in oil filtration system for a hands-off approach to filtering. Manual handling of hot waste oil is eliminated.

EFFICIENT FRYING

The 340 Series features highly efficient electric heating elements or gas burners for superior heat transfer. Melt and Idle modes save energy and, along with the built in filtration system, assist in extending the life of the oil.

SMART FRYING

The Computron 1000 Control Panel offers digital controls and an easy to use interface with a countdown timer and a push button, digital temperature display and adjustment feature.

Features:

- 7 year fry pot warranty
- Stainless construction with 42.5 Litre vats
- Available in Gas or Electric Power
- Power consumption is 22kW at 23.5 Amps per well
- Available in single (341) or double (342) well configuration
